

# B12S20 Improvements

*A Great Tool Keeps Getting Better...*

- Thicker for durability
- Reformulated for improved wear resistance

- Reinforced for strength

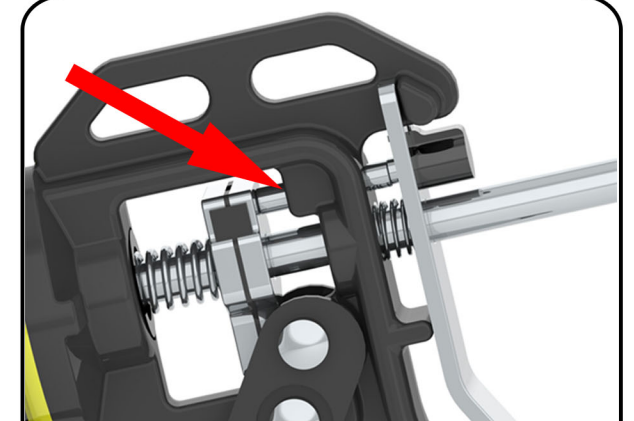

- Sausage
- Cartridge
- Bulk

*Also available in higher thrust 18:1 and 26:1 ratios for thick materials and long nozzles*

- Double nut keeps pull secure
- Optional ladder hook pull attaches easily

- Redesigned handle keeps pin secure

- Redesigned threads for easy on/off

- Bulk piston included

- Redesigned piston will not spin off during barrel rotation

- Locking adj. screw cover prevents accidental changes
