

## DISCOURAGE THEFT BY CLEARLY IDENTIFYING YOUR COMPANY LOGO

### REQUIREMENTS

- Rail marking not available on 5900, 6000, T6000, 6100, L6200, L7300, LDP7306, D5900 & D6000 Fiberglass Ladder Series
- Black is the only print color available
- 2-1/2" maximum height and 12" maximum length per logo
- Glas\*Mark® ladders will be assigned a unique model & UPC number
- Minimum of 12 ladders of each Glas\*Mark® SKU required per order

### CREATION OF NEW SKU WITH EXISTING GLAS\*MARK®

- Work with your distributor to have the new ladder created within the Werner system
- Allow 4 weeks lead time from time of submittal to shipment availability

### CREATION OF NEW GLAS\*MARK® ARTWORK

- Provide your company's logo artwork in .jpg or .pdf file format to your distributor to forward on to Werner's Customer Care department. (.AI or .EPS vector format)
- A proof containing your company's logo, as it will appear on the rail, will be produced and then submitted back for approval
- Once approved, new order shipments take approximately 6 to 8 weeks to ship. (Accounting for new Glas\*Mark®, SKU setup, new printing plates to be produced and lead times for manufacturing)

### RE-ORDER EXISTING GLAS\*MARK® SKU

- Allow 3 weeks lead time from time of order to shipment availability

Glas\*Mark® Rail Markings are permanently impregnated within the rail construction

**Example:**  
**Glas\*Mark® Violator Stripes**  
The pattern is repeated every 19" or 38" along the ladder rail
